

Nomination Testimonial: Branch Treasurer & Neighbourhood Officer

Why I'm Standing for Election

I am writing to formally express my commitment to serving our branch members as Branch Treasurer and Neighbourhood Officer. Throughout my professional career in sports administration and league management, I have developed the operational expertise, financial acumen, and genuine passion for member engagement that these critical roles demand. I believe I am uniquely positioned to deliver tangible value to our branch during a time when strong, accountable leadership is essential.

Track Record in Financial Management and Operations

As league administrator for women's and girls' football in South Wales, I have managed budgets, coordinated sponsorship partnerships, and overseen complex operational systems that serve hundreds of participants. This experience has equipped me with proven financial stewardship skills—budgeting discipline, transparent reporting, and accountability. I understand the importance of every pound spent, and I am committed to ensuring our branch's finances are managed with the same rigour and transparency that our members deserve. Members can trust that their union funds will be handled responsibly and deployed to maximize member benefit.

Deep Understanding of Member Needs

My background in community-focused administration has taught me that effective leadership means listening first and acting with empathy. As Neighbourhood Officer, I would be genuinely accessible—someone members feel confident approaching with concerns, questions, or ideas. I have experience building strong relationships with stakeholders across diverse teams, maintaining confidentiality, and handling sensitive matters with professionalism and discretion. I would prioritize maintaining visibility in local workplaces, ensuring no member feels forgotten or underrepresented.

Commitment to Inclusive Communication and Engagement

I recognize that strong unions are built on engagement. My experience managing social media, coordinating events, and creating content for diverse audiences has shown me how to communicate effectively with people from all backgrounds. I am committed to sharing information about branch campaigns, member rights, and union opportunities in clear, accessible language. I would work tirelessly to increase membership involvement and foster a sense of genuine community within our branch.

Collaborative Problem-Solving Approach

Throughout my work, I have learned that the best solutions emerge through collaboration. As both Treasurer and Neighbourhood Officer, I would work closely with management, branch leadership, and members to identify issues before they escalate, suggest practical improvements, and build positive working relationships. I am organized, proactive, and genuinely committed to equality, diversity, and inclusion—principles that must underpin everything we do.

Why Members Should Vote for Me

I am standing because I believe in this union and in our members' right to excellent representation. I bring demonstrable management skills, financial responsibility, authentic commitment to member welfare, and a track record of delivering results in complex, people-focused environments. I will be transparent, accessible, and tireless in service of our branch.

I ask for your vote with confidence that I will represent you with integrity and dedication every single day.
